islature, Senator Kremer had asked to be excused for the rest of the morning. And there were no objections so the Chair so orders. Now then what are the business that we have on the desk?

CLERK: Mr. President, I ask to be absent on Thursday, February 14, signed Senator Wiltse.

PRESIDENT: Are there objections to Senator Wiltse's absence?

CLERK: Mr. President, I move to suspend the rules and set LB1032 for a public hearing on Monday, February 18. Signed Senator Cavanaugh, Vice-Chairman.

PRESIDENT: Senator Cavanaugh? Do you want to take up your motion?

SENATOR CAVANAUGH: What was the motion?

CLERK: To suspend the rules and to set LB1032 for a public hearing on February 18.

SENATOR CAVANAUGH: Oh yea, I move that because we don't have enough time otherwise. 1:00 on the 18th.

PRESIDENT: Senator Carpenter?

SENATOR CARPENTER: The motion has five days, we don't have to suspend the rules, do we?

CLERK: The rules require seven days.

SENATOR CARPENTER? Hugh?

PRESIDENT: The rules require seven days.

CLERK: The rules require seven days after the first 20 legislative days.

SENATOR CARPENTER: Well make it seven days then, this is my suggestion to the committee and I am sure that Senator had two days on there so that is the time that we will have the hearing. So we won't have to suspend the rules. What date will be the seven days?

PRESIDENT: Well that would make it the 19th.

SENATOR CARPENTER: Alright then I move Mr. President, that it be amended to hold the hearing on the 19th so that we won't have to suspend the rules at 1:00.

CLERK: Well it is a committee report Mr. President, if they want to change it, we will just change it.

PRESIDENT: You can't really amend that, it is a committee report.

CLERK: Do you want to go to 19?

PRESIDENT: Senator Cavanaugh, is that O.K. with you for the 19th? It is a committee report. A week from today.

SENATOR CAVANAUGH: Whatever Senator Carpenter wants, it is his request.

PRESIDENT: Senator Carpenter, do you concur then on the 19th?

SENATOR CARPENTER: The only reason that I intervene is because I asked the Secretary of the Miscellaneous Committee since Senator Waldron is not here that the Vice-Chairman to set the bill, and I presume that it was five days and I was short two days so I just add the two days on there and not have the suspension of the rules.
